Strong. Safe & Ecofriendly

CATALOGUE 2022

# About WAWA Creations LLP

- ▶ WAWA CREATIONS LLP is a company based in the United Kingdom who creates eco-friendly innovative and inclusive designs. We can purpose the full range of our knowledge to make up a Boatbuilding company. Our expertise in Shipbuilding, Yard Management, ISO Certifications, Naval Architecture and Maritime Software is able to train and provide a strong technical support.
- ▶ MODULAR SOLUTIONS. We have many options to personalise your boat to your requirements. Because there is no need for a mould, every design can be different. We have the in-house expertise for the architectural design. Just contact us and we will conceptualise your design. All our boats comply with the relevant ISO and CE standards.
- ▶ WAWA ABA "seed of the WAWA tree" Symbols of hardiness, toughness and perseverance the seed of the Wawa tree is extremely hard just like our creations. In Akan culture, it is a symbol of someone who is strong and tough. It inspires the individual to persevere through hardship.

Boating should be safe and ecofriendly

# The toughest workboat for professionals

- ▶ Commercial boats have to be 100% reliable in all sorts of rough conditions. Whether you're manoeuvring in shallow waters or turbulent sea. Whether you're piloting, diving, patrolling, surveying or have a fun time. Your boat needs to be safe and durable!
- ▶ Why do we only work with HDPE? Because it's light and eco-friendly (100% recyclable). The major problem in the boat industry is the recycling. And using HDPE lowers the carbon footprint 5 times compared to aluminium.
- ▶ The old GRP is very easily damaged as are the rubber RIB tubes. One rock, one bump onto the shore and it's game over. Not with HDPE ; a product unlike any other boat building material. It's lighter than water, durable with lifespan estimated at 50 years, inert without any acid effects on the surface and mainly because it's indestructible.

- ▶ **Low maintenance**
- ▶ **Extremely strong**
- ▶ **Non-conductor**

- ▶ **No anti-fouling required**
- ▶ **Cost effective**
- ▶ **Sound dampening**

- ▶ **Virtually unsinkable**
- ▶ **100% recyclable**
- ▶ **Fuel efficient**

## Modular Options

- ▶ We have many options to personalise your boat to your requirements. All our models offered a modular option :

- ▶ Full or half roof
- ▶ In-floor lashing points
- ▶ Live bait tank
- ▶ Rod Holders
- ▶ Helm wind protection screen
- ▶ Tables
- ▶ Storage boxes
- ▶ PVC teak flooring
- ▶ Seats
- ▶ Bow Boarding steps
- ▶ Stern anchor locker
- ▶ Dive ladder
- ▶ Side doors
- ▶ Fuel tank
- ▶ U-seat area

- ▶ HDPE is an extremely strong material ; you can hit it with a sledge hammer nothing will happen.
- ▶ HDPE is 100% recyclable, combined with a solar electric propulsion it makes it an ideal tool for your eco-resort or national park.
- ▶ HDPE has not only a very superior tensile strength but the material as well has a high buoyancy. This makes it one of the safest boat building materials.

# WAWA COASTAL CAT

HDPE

- › Length Overall : 6.10 m
- › Length Waterline : 5.80 m
- › Beam of hull : 2.45 m
- › Draft : 0.35 m
- › Empty craft weight : 1200 kg
- › Outboard Propulsion : 10 to 40 hp
- › Speed : 10 knots
- › Persons : 5 + 1
- › CE Design category : C

› **WAWA COASTAL CAT 6** is available in different configurations : Dive Support, Work Tender or Coastal Cleaner. They are virtually indestructible thanks to our MadMax construction combined with the inclusive design of WAWA Creations they deprive you of any maintenance worry.

# WAWA PLATOON 9

HDPE

- › Length Overall : 9.15 m
- › Length Waterline : 7.71 m
- › Beam of hull : 2.70 m
- › Height : 3.04 m
- › Draft : 0.56 m
- › Empty craft weight : 2200 kg
- › Displacement (loaded) : 3800 kg
- › Outboard Propulsion : 2 x 200 hp
- › Speed : 30 knots
- › Persons : 8 + 1
- › CE Design category : C

› **WAWA PLATOON 9** is a multipurpose multihull who need low maintenance with a high reliability. Designate to be customisable as your wish it is an affordable and reliable solution with a high engine power range.

# UNDER DEVELOPMENT MODELS

Iruvai as Landing Craft
